This provision shall survive the expiration or other termination of this Contract.

5.8 OTHER CONTRACTS

5.8.1 Contractor shall immediately notify County's Contract Manager in writing of any contracts between Contractor and other public or private organizations which directly impact activities funded under this Contract. Contractor shall prepare invoices, which shall include the charges owed to Contractor by County under the terms of this Contract. Each

invoice shall be based on actual expenditures and Contractor shall not submit an invoice based on budgeted or estimated costs (i.e., Contractor shall not submit an invoice based on 1/12th of either its Maximum Annual Contract Sum or its Maximum Contract Sum). Payments to Contractor shall be based on the information provided by Contractor as established in Exhibit W (Budget) for the Fiscal Year identified therein, and Contractor shall be paid only for the tasks, deliverables, goods, Services, budgeted items and other work approved in writing by County. If County does not approve the Work in writing, no payment shall be due to Contractor for that Work.

5.10.2 Contractor's invoices shall be priced in accordance with the information provided in Exhibit W (Budget) for the Fiscal Year identified therein.

5.10.3 Contractor's invoices shall contain the information set forth in Exhibit A (Statement of Work) and Exhibit W (Budget) for the Fiscal Year identified therein, describing the tasks, deliverables, goods, Services, Work hours, budgeted items and facility and/or other work for which payment is claimed.

5.10.4 **Submission of Invoices**

5.10.4.1 Contractor shall prepare monthly invoices, along with any necessary supporting documentation for each invoice, for Contractor's Work performed under the requirements of this Contract. Upon direction of County, Contractor shall provide all support documentation required by County, including, but not limited to, vendor invoices, receipts of payment, bank statements, and/or bank registers. All supporting documentation must be able to justify the costs invoiced and be submitted to County within thirty (30) days following the date the corresponding monthly invoice is submitted. County reserves the right to require Contractor to upload all required support documentation using County's Information Technology Systems (ITS) which may include the Contract Management System (CMS) - Contractor's Gateway or via other ITS identified by County. Contractor shall submit all invoices to County in the form and manner as directed by County by the 10th calendar day of the month following the month of Service (e.g., Contractor shall submit an invoice for Services provided in October by November 10th for reimbursement). Contractor shall also submit the final, year-end invoice to County no later than the 10th calendar day of the month following the month in which final Services were provided during the Fiscal Year. In both instances, when the 10th calendar day falls on a non-business day (Saturday, Sunday or Los Angeles County holiday), Contractor shall submit the invoice by the following business day. County reserves the right to modify in writing the due date(s) for the submission of invoices as needed in order to meet regulatory deadlines.

- 5.10.4.2 Contractor shall submit an invoice for each month of Service as directed above and invoices shall be submitted in chronological order (e.g., July, August, September, etc.). For example, Contractor shall not submit the September invoice unless the August invoice was previously submitted by the 10th calendar day following the month of August. County will not be under any obligation to pay any invoice that is submitted out of chronological order until Contractor takes the appropriate measures to adhere to these requirements.
- 5.10.4.3 When Contractor does not incur any expenditures for the month of Service, Contractor shall prepare an invoice as directed by County so that the invoice reflects zero (\$0) expenditures. Contractor shall submit the invoice according to the procedures outlined herein and as further directed by County.
- 5.10.4.4 Contractor is responsible for the accuracy of invoices submitted to County. Contractor shall reconcile its invoices and correct inaccuracies or inconsistencies in the invoices it submits to County. Contractor and County agree as follows:
- 5.10.4.4.1 When County or its designee discovers that Contractor has been overpaid, County will send Contractor written notification to request return of the overpayment. Overpayment includes, but is not limited to, payment(s) made to Contractor that exceeds either the Maximum Annual Contract Sum or the Maximum Contract Sum. Contractor shall return such overpayment to County within thirty (30) days of receiving County's written notification.
- 5.10.4.4.2 When Contractor receives or discovers any overpayment from County, Contractor shall immediately notify County's Compliance Manager in writing of such overpayment. Contractor shall immediately return such overpayment to County's Compliance Manager within thirty (30) days of receiving or discovering the overpayment.
- 5.10.4.4.3 At County's sole election, overpayment made to Contractor may be used to offset future payments due Contractor.
- 5.10.4.5 Contractor shall submit a complete, accurate, verifiable and timely invoice for each month of

Service as directed above. Contractor shall also submit a complete, accurate, verifiable and timely final year-end invoice as also directed above. Contractor's failure to comply with these requirements may result in delayed processing of payment(s). Any invoice which does not adhere to County's requirements may be rejected at County's sole discretion. Contractor's continued non-compliance with County's invoicing policies and procedures may lend Contractor to remedies which County may impose at County's sole discretion.

5.10.5 County Approval of Invoices

5.10.5.1 All invoices submitted by Contractor for payment must have the written approval of County's Contract Manager or designee prior to any payment thereof. In no event shall County be liable or responsible for any payment prior to such written approval. Approval for payment will not be unreasonably withheld.

5.10.5.2 County will review Contractor's supporting documentation for its invoice and reconcile between the invoice and the supporting documentation. County will also use the supporting documentation to confirm that all of Contractor's costs reported on the invoice have been paid. County will communicate any discrepancies with Contractor to acquire additional information, if needed. This will ensure that any questioned cost(s) is addressed before the cost(s) becomes disallowed. In the event Contractor is not able to substantiate the cost(s), Contractor will have to repay County for all unsubstantiated costs, Contractor may be removed from eligibility for future cash advances (if cash advances are allowed under this Contract), Contractor's payments may be suspended, and/or County may impose other remedies deemed appropriate by County.

5.10.6 Payments to Contractor

5.10.6.1 In accordance with the invoicing policies and procedures set forth in this Contract as well as those provided by County, County agrees to pay Contractor for the satisfactory provision of the Services identified in Exhibit A (Statement of Work) and any amendments, addendums or modifications thereto. Such payment shall not exceed the amount(s) indicated in Subparagraph 5.2 (Funding Allocations). All payments to Contractor will be made in arrears on a monthly basis for Services performed, provided that Contractor is not in default under any provision of this Contract. County has no obligation to pay for any work except those Services expressly authorized by this Contract.

5.10.6.2 Payments to Contractor will be made within thirty (30) calendar days after receipt of an "undisputed invoice". For purposes of this Subparagraph, an undisputed invoice shall mean an invoice which does not contain errors and has been completed and submitted by Contractor pursuant to the requirements outlined herein and as directed by County. County has the final authority to determine whether or not an invoice is an undisputed invoice. Contractor shall promptly adhere to County's instructions for correcting an invoice that is not undisputed in order to prevent any delays in processing payment(s). Until Contractor submits an undisputed invoice, County will not be under any obligation to pay any invoice that is not submitted pursuant to the requirements outlined herein and as directed by County.

5.10.6.3 All payments for Services provided under the terms of this Contract shall be made to Contractor using Contractor's legal name and tax payer identification number. Contractor shall not request payments to be made to third-party vendors (i.e., subcontractors) or any vendor which Contractor may use in the performance of this Contract. For purposes of this Contract, Contractor's legal name is identified as the name on Contractor's articles of incorporation, charter or other legal document that was used to create Contractor's organization.

5.10.6.4 **Direct Deposit Requirements**

5.10.6.4.1 In an effort to reduce costs, Contractor shall receive payments through direct deposit and shall adhere to County's direct deposit requirements. Contractor shall complete a direct deposit authorization form and submit it to County's Contract Manager in the time and manner as prescribed by County.

5.10.6.5 **Past Due Invoice**

5.10.6.5.1 Any invoice submitted more than thirty (30) days after the last day of the month in which the Services were rendered shall constitute a "past due invoice". Notwithstanding any other provision of this Contract, Contractor and County agree that County shall have no obligation whatsoever to pay any past due invoices. County may, in its sole discretion, pay some or all of a past due invoice which Contractor has submitted, provided that sufficient funds remain available under this Contract.

5.10.6.6 **Method of Compensation Adjustment**

5.10.6.6.1 During any Fiscal Year period within the term of the Contract, County, at its sole discretion, has the option of altering the method of payment from full reimbursement for units of Service completed to an amount equal to one-twelfth (1/12) of the Maximum Annual Contract Sum amount per month. County may pursue this method of compensation if Contractor is providing Services to more Clients than anticipated and it appears that Contract Funds will be completely depleted before the end of each Fiscal Year. County will provide Contractor with at least two (2) weeks advance written notice of its decision to alter the method of payment.

5.10.6.6.2 In no event shall County's decision to alter the method of payment affect the Term, Maximum Annual Contract Sum, Work, or any other provision under this Contract unless such change is made pursuant to a validly executed Amendment to this Contract noting any such change(s).

5.10.7 Contractor's failure to timely submit Contract-related documents that are accurate and complete, as requested or required by County, may result in suspension of payments to Contractor or other remedies provided by law or this Contract. Such documents shall include, but are not limited to, the following:

5.10.7.1 Exhibit D (Contractor's Equal Employment Opportunity Certification); Exhibit F (Contractor's Administration); Exhibit G1 (Contractor Acknowledgement and Confidentiality Agreement); Exhibit O (Charitable Contributions Certification); Exhibit R (Joint Funding Revenue Disclosure); Exhibit T (Inventory Control Form); Exhibit U (Certification of Compliance with County's Defaulted Property Tax Reduction Program); Exhibit W (Budget) for each Fiscal Year of the Contract term; Exhibit X (Cumulative Performance and Financial Goals) for each Fiscal Year of the Contract term; Exhibit Y (List of Subcontracts); and Exhibit Z (Cost Allocation Plan);

5.10.7.2 Those documents outlined in Subparagraph 9.22 (Contract Document Deliverables) and Subparagraph 9.23 (Fiscal Reporting Requirements).

5.10.8 Local Small Business Enterprise (Local SBE) - Prompt Payment Program

5.10.8.1 It is the intent of County that Certified Local SBEs will receive prompt payment for Services they

provide to County. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice that has been properly matched against a receiving or shipping document, service deliverable or payment schedule, or any other validation of receipt document.

5.11 INTENTIONALLY OMITTED

5.12 MATCH CONTRIBUTION

5.12.1 The match contribution for this Contract is 10%.

5.12.2 Each Fiscal Year, Contractor shall provide a required match contribution to offset the total cost of providing Program Services. Contractor's match contribution shall be reflected in Exhibit W (Budget). The match contribution is the non-Federal share of funding provided by Contractor to support the Contract activities and it may take the form of a cash match contribution, an in-kind match contribution and/or both. This match is calculated as a percentage of the Maximum Annual Contract Sum reflected in Paragraph 5.0 Contract Sum).

5.12.1.1 A cash contribution is a monetary donation which is provided by Contractor (such as general funds), non-Federal third-parties (such as partner organizations) and/or non-Federal grants and is given to Contractor to accomplish the goals of the Program Services.

5.12.1.2 An in-kind contribution is a non-monetary donation of goods, properties or services which are provided by either Contractor or non-Federal entities without charge to the Program Services for which they are donated; it is the value of non-cash contributions donated to support Program Services. In-kind contributions typically take the form of the value of personnel, goods and/or services which may include donations of volunteer services, space, equipment, etc. and this value is determined by using the fair market value method. Using sales of comparable property or the cost of comparable services is a method which can be used to determine the fair market value of an in-kind match contribution.

5.12.1.2.1 Determination of In-kind Volunteer Services:

5.12.1.2.1.1 Volunteer services may be used to meet the match contribution requirement. However, when using volunteer services to meet the match contribution requirement, this in-kind match shall not exceed more than fifty percent (50%) of the required match contribution.

5.12.1.2.1.2 The monthly salary equivalent for volunteer services should be commensurate with the work/services being provided by volunteer. As such, the salary equivalent for volunteer services shall be determined by using the regular salaries paid for similar work in other activities of Contractor's organization. In cases where the kinds of skills involved are not found in other activities of the organization then the salary equivalent shall be determined by using the salaries paid for similar work in the labor market in which Contractor competes for such skills.

5.13 CONTRACTOR INDIRECT COSTS

- 5.13.1 The maximum amount of indirect costs that is payable under this Contract is ten percent (10%) of the Contract Grant Funds for Title V Program Services. Contractor shall not charge indirect costs exceeding the ten percent (10%) maximum to this Contract. Indirect costs in excess of the ten percent (10%) maximum may be budgeted as a match contribution and used to meet the minimum match requirement specified in Subparagraph 5.12 (Match Contribution).
- 5.13.2 The requirements for indirect costs are further outlined in Exhibit Q (Accounting, Administration and Reporting Requirements) and CSS directive CCD-15-03 (Cost Allocation and Indirect Cost Requirements for CSS Subawards).

This background investigation should be conducted on an annual basis throughout the entire term of this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and Federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation. For purposes of this Contract, a sensitive position is one in which the duties pose a potential threat or risk to Client when performed by persons who have a criminal history incompatible with those duties, whether those persons are employees of Contractor or other individuals who perform Services on behalf of Contractor pursuant to this Contract. Contractor shall comply with County's request at any time during the term of this Contract. County will not provide to Contractor or to Contractor's staff any information obtained through County's background investigation.
- 7.5.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff who does not pass such investigation to the satisfaction of County or whose background or conduct is incompatible with County facility access.

Contractor shall inform its staff, including all current and prospective employees, independent contractors, volunteers or subcontractors who may come in contact with people in the course of their work, volunteer activity, or performance of a subcontract, providing Services under this Contract of said obligation. Contractor shall not engage or continue to engage the services of any person convicted of any crime involving harm to minors, or any crime involving conduct inimical to the health, morals, welfare or safety of others, including but not limited to, the offenses specified in the California Health and Safety Code Section 11590 (i.e., offenses requiring registration as a controlled substance offender) and those crimes listed in the California Penal Code which involve murder, rape, kidnap, abduction, assault and lewd and lascivious acts.

- 7.5.7 Disqualification of any member of Contractor's staff pursuant to this Subparagraph 7.4 shall not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of this Contract.

7.6 CONFIDENTIALITY

- 7.6.1 Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies, bulletins, TEGs, Program memoranda and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 7.6.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Subparagraph 7.5 and Exhibit G1 (Contractor Acknowledgement and Confidentiality Agreement), as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Subparagraph 7.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 7.6.3 Contractor shall inform all of its officers, employees, agents and subcontractors providing Services hereunder of the confidentiality provisions of this Contract.
- 7.6.4 Contractor shall sign and also adhere to the provisions of Exhibit G1 (Contractor Acknowledgement and Confidentiality Agreement).

7.6.5 Unauthorized Disclosure

- 7.6.5.1 Contractor shall ensure that personal, sensitive and confidential information is protected from inappropriate or unauthorized access or disclosure in accordance with applicable laws, regulations and State policies. The requirement to protect information shall remain in force until superseded by laws, regulations, or policies.
- 7.6.5.2 Contractor shall protect from unauthorized disclosure the names and other identifying information, concerning Clients receiving Program Services pursuant to this Contract, except for statistical information that does not identify any Client.
- 7.6.5.3 Contractor shall not use identifying information for any purpose other than carrying out Contractor's obligations under this Contract. Identifying information shall include, but is not limited to the following: name; identifying number; social security number; State driver's license or State identification number; financial account numbers; and symbol or other identifying characteristic assigned to Client, such as finger print, voice print or a photograph.
- 7.6.5.4 Contractor shall not, except as otherwise specifically authorized or required by this Contract or court order, divulge to any unauthorized person any data or identifying information obtained while performing Work pursuant to this Contract without prior written authorization from County. Contractor shall forward all requests for the release of any data or identifying information received to County's Program Manager. Contractor may be authorized, in writing, by Client to disclose identifying information specific to the authorizing Client.
- 7.6.5.5 Contractor may allow Client to authorize the release of information to specific entities, but shall not request or encourage Client to give a blanket authorization or sign a blank release, nor shall Contractor accept such blanket authorization from Client.

8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

- 8.1.1 For any change which materially affects the Scope of Work, Contract Term, Contract Sum, payments, or any other term or condition included under this Contract, an Amendment to this Contract shall be prepared by County and executed by Contractor's Authorized Representative and by County's Department Head or his/her designee.
- 8.1.2 County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. County reserves the right to add and/or change such

provisions as required by County's Board of Supervisors or Chief Executive Officer. To implement such changes, an Amendment to this Contract shall be prepared by County and executed by Contractor's Authorized Representative and by County's Department Head or his/her designee.

8.1.3 County's Department Head or his/her designee may, at his/her sole discretion, authorize extensions of time as defined in Paragraph 4.0 (Term of Contract). Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an Amendment to this Contract shall be prepared by County and executed by Contractor's Authorized Representative and by County's Department Head or his/her designee.

8.1.4 The following events shall also warrant an Amendment to this Contract as described in this Subparagraph 8.1:

8.1.4.1 County may initiate a unilateral Amendment to this Contract at any time when required by Federal, State or County laws or policies, and shall immediately notify Contractor of said Amendment and the justification thereto.

8.1.4.2 To the extent that funding for the Program is eliminated or otherwise reduced, the Program is terminated or the Program is modified for any reason (such that funding is reduced or the Scope of Work is changed), County may in its sole discretion amend this Contract accordingly or move to terminate pursuant to the provisions in Subparagraph 8.42 (Termination for Convenience) without further liability for Services yet to be rendered by Contractor.

8.1.5 For any change which does not affect the Scope of Work performed under this Contract, the Contract Term or Contract Sum, and does not otherwise materially change any other term or condition under this Contract, County reserves the right to initiate such change(s) through a Change Notice. Such Change Notice shall be a written document that is prepared by County at its sole discretion and is signed by County's Contract Manager or designee. A Change Notice will be used to communicate changes which do not warrant an amendment to this Contract. Such Change Notice shall be provided to Contractor at least ten (10) days prior to its effective date and Contractor shall adhere to the requirements as specified therein. Contractor's failure to comply with the Change Notice(s) may result in County imposing remedies including suspension of payment(s), termination of Contract or other remedies under this Contract as determined by County at its sole discretion.

8.2 ASSIGNMENT AND DELEGATION

8.2.1 Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its sole discretion, and any

attempted assignment or delegation without such consent shall be null and void. For purposes of this Subparagraph 8.2, County consent shall require a written Amendment to this Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

8.2.3 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

8.3.1 Contractor represents and warrants that the person executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority ("Contractor's Authorized Representative").

8.3.2 Contractor's Authorized Representative must be available to County and/or County's duly authorized representatives during the days and times specified in Exhibit A (Statement of Work). In the event that Contractor's Authorized Representative is not available during these specified days and times, he/she shall ensure that an appropriate designee is identified in writing to County's Contract Manager. Such designee shall have the ability and authority to act as a proxy on behalf of Contractor's Authorized Representative, and this authority must also be evidenced in writing by Contractor's Authorized Representative. Contractor's Authorized Representative shall further ensure that he/she can be contacted by his/her designee when Contractor's Authorized Representative is not available during the days and times specified in Exhibit A (Statement of Work).

8.4 BUDGET REDUCTIONS

8.4.1 In the event that County's Board of Supervisors adopts, in any

Fiscal Year, a County budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Contract correspondingly for that Fiscal Year or Program Year and any subsequent Fiscal Year or Program Year during the term of this Contract (including any extensions), and the Services to be provided by Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the Services set forth in this Contract.

8.5 COMPLAINTS

- 8.5.1 Contractor shall develop, maintain and utilize procedures for receiving, investigating and responding to complaints. Within fifteen (15) business days after the Contract effective date, Contractor shall provide County's Program Manager with Contractor's policy for receiving, investigating and responding to Client complaints.
- 8.5.2 County will review Contractor's policy and provide Contractor with approval of said plan or with requested changes.
- 8.5.3 If County requests changes in Contractor's policy, Contractor shall make such changes and resubmit the plan within five (5) business days for County approval.
- 8.5.4 If, at any time, Contractor wishes to change Contractor's policy, Contractor shall submit proposed changes to County's Program Manager for approval before implementation.
- 8.5.5 Contractor shall preliminarily investigate all complaints and notify County's Program Manager of the status of the investigation within ten (10) business days of receiving the complaint.
- 8.5.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.5.7 Copies of all written responses shall be sent to County's Program Manager within five (5) business days of mailing to the complainant.

In either event, Contractor shall immediately implement a written

policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate, to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

- 8.8.2.4 Contractor's violation of this Subparagraph 8.8 of this Contract may constitute a material breach of this Contract. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Subparagraph 8.9 shall be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFFS OR ON RE-EMPLOYMENT LIST

- 8.10.1 Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the Services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or to qualified former County employees who are on a re-employment list during the life of this Contract.

- 8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. - 8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
- 8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where: (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.24.5 Failure to Maintain Insurance

8.24.5.1 Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of this Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. 8.43.1.1 Contractor has materially breached this Contract; or

8.43.1.2 Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, Service, or other work required under this Contract; or

8.43.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.

8.43.2 In the event that County terminates this Contract in whole or in part as provided in Subparagraph 8.43.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and Services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and Services. Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Subparagraph 8.43.

8.43.3 Except with respect to defaults of any subcontractor, Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of nature or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or Services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Subparagraph 8.43, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after County has given notice of termination under the provisions of this Subparagraph 8.43, it is determined by County that Contractor was not in default under the provisions of this Subparagraph 8.43, or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subparagraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of County provided in this Subparagraph 8.43, shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

- 8.46.1 Contractor, and each County Lobbyist or County Lobbying firm as defined in Los Angeles County Code Section 2.160.010 retained by Contractor, shall fully comply with County's Lobbyist

Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON - APPROPRIATION OF FUNDS

8.47.1 Notwithstanding any other provision of this Contract, County shall not be obligated for Contractor's performance hereunder or by any provision of this Contract during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for this Contract in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

8.48.1 If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

8.49.1 No waiver by County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. The rights and remedies set forth in this Subparagraph 8.49, shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

Contractor knew, or should have known, that the information furnished was incorrect or that the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, Contractor shall:

9.7.4.1 Pay to County any difference between the Contract amount and what County's costs would have been if this Contract had been properly awarded;

9.7.4.2 In addition to the amount described in Subparagraph 9.7.4.1, be assessed a penalty in an amount of not more than ten percent (10%) of the amount of this Contract; and

9.9.1.1 This Contract fully expresses the agreement of the parties. Any modification to this Contract must be by means of a separate written document approved by County. No oral conversation between any officer, employee or agent of the parties shall modify or otherwise amend this Contract in any way. For purposes of this Subparagraph 9.9, a Modification:

9.9.1.1.1 Is a mechanism that allows Contractor to revise its Budget or Services during the Fiscal Year or Program Year without adversely affecting Contractor's ability to fulfill its obligations under this Contract (i.e., such Modification shall not materially change Contractor's obligation to provide the Services outlined in Exhibit A (Statement of Work)).

For the entirety of any Fiscal Year or Program Year, a Budget Modification shall not exceed twenty percent (20%) of the baseline amount allocated to the line items being modified (i.e., Contractor's movement of funds among line items shall not cause one line item to be reduced or increased by more than twenty percent (20%) of its baseline amount). For purposes of this Subparagraph 9.9, baseline is defined as the original amount allocated at the beginning of a Fiscal Year or Program Year; for Fiscal Years or Program Years following the first Fiscal Year or Program Year, such amount may differ from what is reflected in the original Contract. A Budget Modification shall not change the Maximum Annual Contract Sum or the Maximum Contract Sum. Contractor shall notify County's Contract Manager

in writing to request authorization prior to submitting a Budget Modification. On the date County approves a Budget Modification, such Budget Modification shall replace any prior Budget Modification(s) approved by County within the same Fiscal Year or Program Year (i.e., when Contractor's Budget Modification number 2 is approved by County, it becomes effective upon the approval date and Contractor's Budget Modification number 1 is no longer effective as of that same date).

9.9.3 Program Modifications

9.9.3.1 The movement of Services from one Service category (as defined in Exhibit A (Statement of Work)) to another is classified as a Program Modification. Contractor shall notify County's Program Manager in writing to request authorization prior to submitting a Program Modification. - 9.11.2 During the term of this Contract and during the authorized retention period of this Contract, Contractor shall maintain and provide security for all of Contractor's working papers prepared under this Contract. County shall have the right to inspect, copy and use at any time during the term of this Contract and during the authorized retention period of this Contract, any and all such working papers and all information contained therein.
- 9.11.3 Any and all materials, software and tools which are developed or were originally acquired by Contractor outside the scope of this Contract, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to County's Contract Manager as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.
- 9.11.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.
- 9.11.5 Notwithstanding any other provision of this Contract, County will not be obligated to Contractor in any way under Subparagraph 9.11.4 for any of Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Subparagraph 9.11.3 or for any disclosure which County is required to make under any Federal or State law or order of court.
- 9.11.6 Notwithstanding any other provision of this Contract, County and Contractor agree that County shall have all ownership rights of software or modification thereof and associated documentation designed, developed or installed using Federal financial participation. The Federal government shall have a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use for Federal government purposes, such software, modifications and documentation. Notwithstanding any other provision of this Contract, proprietary operating/vendor software packages, which are provided at established catalog or market prices and sold or leased to the general public, shall not be subject to the ownership provisions of this Subparagraph 9.11.
- 9.11.7 All the rights and obligations of this Subparagraph 9.11 shall survive the expiration or termination of this Contract.

9.12 PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION

- 9.12.1 Contractor shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third-party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Contractor's

Work under this Contract. County shall inform Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support Contractor's defense and settlement thereof.

9.12.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:

9.12.2.1 Procure for County all rights to continued use of the questioned equipment, part, or software product; or

9.12.2.2 Replace the questioned equipment, part, or software product with a non-questioned item; or

9.12.2.3 Modify the questioned equipment, part, or software so that it is free of claims.

9.12.3 Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Contractor, in a manner for which the questioned product was not designed nor intended.

9.13 PROBATION AND SUSPENSION

9.13.1 Contractor may be placed on probation, suspension or a combination thereof when County determines that Contractor is not in compliance with any Service, Work, task, deliverable or requirement outlined in this Contract and/or when Contractor has demonstrated a consistent and significant lack of achievement of the Contract goals (including, but not limited to, meeting the requirements for Program performance, the Budget, expenditures, staffing, administration, etc.). County shall notify Contractor in writing in the event that Contractor is placed on probation, suspension or a combination thereof.

9.13.2 Probation

or not Contractor may continue to provide Services during the probation.

- 9.13.2.3 Contractor's ability to obtain future funding may be impacted when Contractor does not remedy its non-compliance during its probation and/or when Contractor is placed on multiple probations (as determined by County at County's sole discretion).

9.13.3 Suspension

- 9.13.3.1 Suspension as used herein shall mean a specified period of time (as determined by County) during which County will withhold payment from Contractor (i.e., suspension of payment(s)), County will institute a temporary curtailment of the Services provided by Contractor and its subcontractor(s), if any, (i.e., suspension of Work) or a combination thereof. EXHIBIT H (CONTRACTOR EMPLOYEE JURY SERVICE)

Los Angeles County Code
Title 2 (ADMINISTRATION)
Chapter 2.203.010 through 2.203.090
Contractor Employee Jury Service

2.203.010 Findings.

The Board of Supervisors makes the following findings. The County of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the County of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the County of Los Angeles has determined that it is appropriate to require that the businesses with which the County contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCIA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

EXHIBIT Q (ACCOUNTING, ADMINISTRATION AND REPORTING REQUIREMENTS)

The purpose of this Exhibit Q is to establish required accounting, financial reporting, and internal control standards for Contractor.

The accounting, financial reporting and internal control standards described in this Exhibit Q are minimums. These standards are not intended to be all inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Exhibit Q represents the minimum required procedures and controls that must be incorporated into Contractor's accounting and financial reporting systems. Contractor certifies that throughout the entirety of this Contract, it shall maintain the required level of staffing as outlined in this Contract. Therefore the internal control standards described herein are those that apply to Contractor's organization and Contractor shall comply with the intent of these standards and implement internal control systems in its performance of the Work hereunder. Contractor's subcontractors must also follow these standards unless otherwise stated in this Contract.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 Basis of Accounting

Contractor shall maintain written financial and accounting procedures which incorporate Generally Accepted Accounting Principles and Contractor shall adhere to the requirements set forth therein. Contractor may elect to use either the accrual basis or cash basis of accounting during the Fiscal Year for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions. All financial reports required by County shall be prepared by Contractor using accrual information and shall be submitted as directed by County.

1.1 County recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis for recording financial transactions, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

- Recorded accruals must be reversed in the subsequent accounting period.

1.2 If Contractor elects to use the cash basis for recording financial transactions during the Fiscal Year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of the Fiscal Year.
- All computations, supporting records, and explanatory notes used in converting from the cash basis to the accrual basis must be retained.

1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Contract Fiscal Year to the extent goods and Services are received or are applicable to that Fiscal Year.

2.0 Accounting System

Contractor shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. Contractor shall also maintain a Payroll Register. Postings to the General Ledger and Journals shall be made at least on a monthly basis. Contractor shall maintain a separate Cost Center(s), which clearly identifies funds received and expended on Services provided.

2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

<u>Example:</u>	DR	CR
Rent Expense	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal shall be maintained for recording all cash receipts (e.g., County warrants, contributions, interest income, etc.). The Cash Receipts Journal shall contain the following column headings (minimum requirements):

- Date
- Receipt Number
- Cash Debit columns
- Income Credit columns for the following accounts:
 - County payments (one per funding source)
 - Contributions
 - Other Income (grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (entries in the description column must specify the source of cash receipts)

2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain the following column headings (minimum requirements):

- Date
- Check Number
- Cash (Credit) column
- Expense Account name
- Description

Note (1) Separate cost columns are required for salary expense and other recurring cost classifications for each Program.

Note (2) Entries in the description column must specify the nature of the cost and the corresponding cost classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks).

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same cost classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed upon audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. See Sub-sections A.3.2 (Supporting Documentation) and B.2.4 (Credit Cards) for additional guidance on expense documentation requirements.

2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for the expenses and revenues of each of Contractor's programs (both County and non-County programs).

2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- County recommends that Contractor use the expense account titles on the monthly invoice submitted to County.
- If Contractor uses account titles which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- Contractor must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

2.6 Payroll Register

County recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Social Security Number (at a minimum last four digits of the SSN)
- Salary (hourly wage)

 - Check Number

If a Payroll Register is not used, the information discussed above must be recorded in the Cash Disbursements Journal.

Contractor will ensure compliance with all applicable Federal and State requirements for withholding payroll taxes (e.g., FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (e.g., 941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

Contractor will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent contractors.

2.7 Contractor Invoices

Contractor shall present an invoice to County each calendar month to report the prior month's financial activity of the Program. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the Fiscal Year. An invoice shall be provided to County as required in this Contract. At the discretion of County, Contractor will be required to submit all invoices and supporting documentation through County's Contract Management System • Contractor's Gateway or any other electronic System to be determined by County.

3.0 Records

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of Contractor's accounting records or supporting documentation shall be immediately reported to County pursuant to the requirements outlined in Exhibit S (Purchase, Inventory and Disposal Requirements for Fixed and Non-Fixed Assets and Supplies), Section II.C (Loss, Destruction or Theft of Assets). Contractor shall report, to the local law enforcement agency having jurisdiction, any act(s), which may reasonably be thought to constitute a crime, and/or which appear to have resulted in the destruction, damage or alteration of any record subject to the provisions of this Exhibit Q. Contractor shall prepare a report and submit it to the local law enforcement agency within twenty-four hours after becoming aware of the acts which have resulted in the destruction, damage, or alteration of the record.

A copy of the resulting crime/incident report must be retained by Contractor for a period of time under which the underlying records were destroyed, or damaged were required to be retained plus an additional four (4) years, and shall be retained for a longer period in the case of unresolved litigation or audit.

To the extent that automated accounting records contain confidential information including but not limited to the names and addresses of individuals, Social Security Numbers, etc., the computer files containing this information must be adequately encrypted using the most current encryption standards to prevent unauthorized access and use.

If the allowability of expenditures cannot be determined because Contractor's records or documentation are non-existent or inadequate according to Generally Accepted Accounting Principles set forth in 2 CFR 200.302, the expenditures will be questioned during an audit/monitoring review and may be disallowed at the sole discretion of County or its Authorized Representative.

3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained pursuant to the authorized retention period outlined in Paragraph 8.38 (Record Retention and Inspection/Audit Settlement) of this Contract.

3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts, canceled checks, and other documentation, including electronic documentation clearly establishing the nature of the expenditure and its relevance to for the Program shall be required to support an outlay of Contract Funds. Unsupported disbursements will be disallowed upon audit. Contractor will be required to repay County for all dollar for dollar disallowed costs. **Photocopied (including scanned images) of invoices or receipts, any internally generated documents (e.g., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases. To the extent that the source for electronic documentation is an original hardcopy document (e.g., PDF scans of original vendor invoices) Contractor shall retain the original source document for inspection by County. County at its sole discretion may accept photocopies of supporting documentation in preference to the original documents.**

Supporting documentation is required for various types of expenditures. Contractors shall provide acceptable supporting documentation for all expenditures, and, with regard to the following categories of expenditures, acceptable supporting documentation shall consist solely of the documentation listed for each expenditure type. Another form of documentation may be used, in lieu of the listed types of acceptable supporting documentation, provided Contractor obtains prior written approval of County to use a specific type of alternative documentation.

Payroll – timecards and attendance records signed by an employee and approved in writing by a supervisor; time distribution records by Program accounting for total work time on a daily basis for all employees; records showing actual expenditures for Social Security and unemployment insurance; State and Federal quarterly tax returns; Federal W-2 forms; and Federal W-4 forms. Personnel records shall also be maintained documenting employee pay rates. Personnel records shall also contain documentation confirming that educational and practical experience requirements of an employee's position have been met. Where licensure is a requirement of an employee's position, Contractor's personnel file shall contain proof that employees have the required licenses/certifications.

Consultant Services – contracts (detailing the nature and scope of services to be provided), time and attendance records, billing rates, travel vouchers (detailing purpose, time and location of travel), purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided. Contractor shall also maintain copies of all completed federal form 1099s, establishing that all payments to all consultants were reported in a timely fashion to federal and State taxing agencies.

Travel – prior, written approval from County's Contract Manager for travel expenses related to providing Services under this Contract; written travel policies of Contractor; travel expense vouchers showing location, date and time of travel, purpose of trip, benefit(s) to the Program and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and beginning and ending odometer readings and the resulting mileage. Vehicle mileage logs must clearly identify business versus non-business, or personal travel. For travel related to conferences, Contractor shall at a minimum retain conference literature, including but not necessarily limited to, agendas and handouts detailing the purpose of the conference, as part of Contractor's documentation of the propriety of the travel expenditure, and its applicability to the Work performed by Contractor hereunder.

Reimbursement rates for mileage shall not exceed applicable County guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum County's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel. Maximum reimbursable lodging amount is County's maximum reimbursement rate for employees for a single occupancy hotel accommodation. Receipts shall also be required for airfare, car rentals, ground transportation and parking.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, Contractor shall maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc. Contractor shall also maintain documentation acknowledging the receipt of the specific goods and services for the expenditure (e.g., stock received reports, packing slip signed by the receiving employee, etc.). For internal control purposes, Contractor may also maintain vouchers, purchase orders, requisitions, etc.

Vehicle Expenses – A vehicle mileage log must be maintained which established the extent to which company owned vehicles are used for business, versus non-business purposes. For all business related trips, the log shall identify trip dates, the origin and destination of the trip along with beginning and ending odometer readings and the resulting mileage. For other vehicle expenses such as gasoline and maintenance, invoices/receipts must be maintained which reflect the vehicle license number, or vehicle identification number of the vehicle being serviced or fueled. The record maintenance requirements for company-owned vehicles, also applies to personal vehicles used for business purposes.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and business purpose of each meal, and identification of the Client(s).

Contractor shall also maintain documentation showing that the loan proceeds were actually used for the Program. To the extent that the loan agreement provides for the payment of interest, the interest may not be an allowable expense under this Contract. If the payment of interest is allowable, interest shall not be accrued at a rate which exceeds the most current available County Treasury Rate plus one percent.

3.3 Payments to Affiliated Organizations or Persons

Prior to making payments to affiliated organizations or persons (i.e., related party transactions), Contractor shall complete a disclosure statement identifying the nature of the affiliated, or related organization/persons.

Contractor shall not make payments to affiliated organizations or persons for Program expenses (e.g., salaries, services, rent, etc.) that exceed the lesser of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to Contractor or its members by blood, marriage, or through a legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Contract. County shall be solely responsible for determining affiliation unless otherwise allowed and approved by the State or Federal agencies.

Payments to affiliated organizations or persons will be disallowed upon audit to the extent the payments exceed the lower of actual costs or the reasonable costs (fair market value) for such items.

3.4 Filing

All relevant supporting documentation for reported Program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – Numerically
- Invoices – Vendor name and date
- Vouchers – Numerically
- Receipts – Chronologically
- Timecards – Pay period and alphabetically

3.5 Referencing

Accounting transactions posted to Contractor's books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on Contractor's books be cross-referenced to the supporting documentation as follows:

- Invoices – Vender name and date
- Checks – Number
- Vouchers –Number
- Revenue – Receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one (1) check, all related invoices should be bound together and cross-referenced to the check issued for payment.

4.0 Donations and Other Sources of Revenue

Restricted donations and other sources of revenue earmarked specifically for this Contract must be utilized on allowable Contract expenditures. Similarly, income from investments (e.g., interest or dividends), where the source of the amount invested is County program funds, shall be deemed

restricted revenue that must be utilized on allowable expenditures, or returned to County.

5.0 Audits

For routine audits and inspections, Contractor will make available County and any of its duly Authorized Representatives (including State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives), upon request, during County's hours of operation, throughout the duration of this Contract and for the authorized retention period outlined in Paragraph 8.38 (Record Retention and Inspection/Audit Settlement) of this Contract, all of its books and records, including but not limited to those which relate to its operation of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through County. All such books and records shall be maintained at a location within Los Angeles County.

In general, audits will normally be performed during normal business hours, Monday through Friday. However, County retains the right to inspect and conduct investigations of Contractor's fiscal operations and contract compliance at any time, without prior notice to Contractor seven days a week, when County has information which it, in its sole discretion, deems justifies such an unannounced visit, inspection, audit or investigations.

B. INTERNAL CONTROLS

Internal controls safeguard Contractor's assets from misappropriations, misstatements or misuse. Contractor shall prepare necessary written procedures establishing internal controls for its staff. Contractor shall instruct all of its staff in these procedures and continuously monitor operations to ensure compliance with them.

1.0 Cash Receipts

1.1. Separate Bank Account or Cost Center

All Contract Funds shall be maintained in a bank account. Contract Funds shall be used exclusively for Services funded under this Contract and shall not be commingled with any other monies of Contractor. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate bank accounts.

1.2 Deposits

When collections are received by mail, two employees should be assigned to open the mail and list all collections received on a check remittance log.

All checks shall be restrictively endorsed upon receipt. Cash received shall be recorded on pre-numbered receipts and the receipts/check remittance log shall be reconciled to the amount being deposited.

Voided receipts shall be retained and the sequences of receipts issued/voided shall be periodically accounted for.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one (1) day of receipt. Collections of less than \$500 may be held, and shall be secured and deposited weekly or when the total reaches \$500, whichever occurs first. If Contractor can establish that a larger limit is warranted, Contractor may request authorization from County to increase the limit to an amount greater than \$500.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable). Contractor shall retain photocopies of County warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

1.3 Separation of Duties

An employee who does not handle cash shall record all cash or check receipts in Contractor's accounting records.

1.4 Bank Reconciliations

Bank statements should be received and reconciled by someone with no cash handling, or check writing responsibilities.

Monthly bank reconciliations should be prepared within thirty (30) days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations should be signed and dated by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 Disbursements

2.1 General

All disbursements (other than those made for petty cash, purchases) shall be made using Contractor's check, electronic funds transfer, or debit/credit card.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Similarly, electronic debits to "cash" shall not be made. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature is recommended on all checks over \$500, unless otherwise authorized by County in writing. In instances where the payee is also a signor on the check, the disbursement shall be reviewed and approved by a higher level employee, or Board member who shall also sign the check.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent duplicate payments or reuse.

Disbursements without adequate supporting documentation will be disallowed upon audit.

2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by Contractor (e.g., postage due, small purchases of office supply items, etc.). Contractor must obtain prior written approval from County's Contract Manager to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor

disbursements (under \$10), such as parking meters, fee, etc., then some written documentation shall be maintained and approved by a supervisory employee not associated with the transaction. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices (i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

2.4 Credit Cards

The use of credit cards, both Contractor issued credit cards and an employee's personal credit card used on behalf of Contractor, should be limited to purchases where established purchasing and disbursement practices are not suitable.

Credit cards issued in Contractor's name must be adequately safeguarded and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by Contractor management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased the employee making the purchase, and the justification for the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 Timekeeping

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of Contractor's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed upon audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time. To the extent Contractor utilizes electronic timecards and time reports, Contractor must ensure that both the employee and supervisor certify time reported using electronic signatures. Where electronic timecards and time

reports are used, Contractor's reporting system must be able to electronically record the date/time the timecard was prepared/reviewed. Contractor's electronic time reporting system must also have sufficient controls to prevent unauthorized alteration/changes to electronic time records and reports.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals. Any automated personnel and payroll records which contain confidential information such as employee addresses, medical condition information, etc. should be adequately encrypted to prevent unauthorized access and use using the latest encryption standards. Contractor shall develop, maintain and adhere to its written personnel policies and procedures, wherein such procedures shall incorporate due process protection according to standard personnel practices.

Personnel and payroll records shall include, but are not limited to, the following:

- Employee's authorized salary rate
- Employee information sheet (e.g., employee contact information, emergency contact information, etc.)
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license(s), etc.)
- Performance evaluations
- Criminal record clearance (if required)
- Citizenship status
- Benefit balances (e.g., sick time, vacation, etc.)
- Health Clearances (if required)

3.3 Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

3.4 Limitations on Positions and Salaries

Contractor shall not pay any salaries which are higher than those authorized in this Contract, or the Exhibits thereto, including this Exhibit Q.

When this Contract is for **Workforce Investment Act Program Services**, Contractor shall adhere to Public Law 109-234, as provided by the

Employment Development Department (EDD) through its issuance of a directive. Contractor shall obtain the most current version of EDD's directive on salary and bonus limitations on-line using the following Website address: <http://www.edd.ca.gov/JobsandTraining/ActiveDirectives.htm>.

For purposes of establishing a reasonable level of compensation for Contractor's employees, County may refer to the applicable Child Welfare League of America (CWLA) Salary Study.

If an employee serves in the same or dual capacities under more than one contract or program, time charged to the contracts or programs taken as a whole may not exceed 100% of the employee's actual time worked.

Salaried employees shall be paid a salary that corresponds with the employee's work schedule. For example, a ½-time salaried employee performing the same or similar work should be paid proportionately less than a full-time salaried employee.

The salary expense of salaried employees working on more than one (1) contract or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

Contractor shall not make retroactive salary adjustments for any employee without prior written approval from County's Contract Manager.

3.5 Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll transaction, or reconciling bank accounts.

All employee hires, terminations or pay rate changes shall be approved in writing by authorized persons independent of payroll responsibilities.

4.0 Bonding – All officers, employees, and contractors who handle cash or have access to Contractor's funds (e.g., prepare checks, etc.) shall be bonded pursuant to Paragraph 8.25 (Insurance Coverage) of this Contract.

C. COST PRINCIPLES

1.0 Policy

It is the intent of County to provide funds to Contractor for the purpose of providing Services required by this Contract. Contractor shall use these Contract Funds on actual expenses in an economical and efficient manner and shall ensure that these expenditures are reasonable, proper, and

necessary costs of providing Services and are allowable in accordance with the Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget, (2 CFR 200 et al.).

- 1.1 Contractor is responsible for obtaining the Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.), which is available on-line at http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

1.2 Limitations on Expenditures of Contract Funds

Contractor shall comply with this Contract and the Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.). The Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.), defines direct and indirect costs, discuss allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically address the allowability of a variety of different costs.

If Contractor is unsure of the allowability of any particular type of cost or individual cost, Contractor should request advance written approval from

County's Program Manager prior to incurring the cost. Any conflict or inconsistency between or among the requirements outlined within this Contract, Exhibit A (Statement of Work), this Exhibit Q, and Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.), shall be resolved by giving precedence as follows:

- Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.)
- Contract
- Exhibit A (Statement of Work)
- Exhibit Q (Accounting, Administration and Reporting Requirements)

1.3 Expenses Incurred Outside the Contract Period

Expenses charged against Contract Funds may not be incurred prior to the effective date of this Contract, or subsequent to this Contract's expiration or termination date. Similarly, current period expenses related to events or activities that occurred prior to the effective date of the Contract may not be allowable. For example, legal costs incurred prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Contract between Contractor and County are not allowable. Expenses charged against Contract Funds during any Fiscal Year period may not be incurred outside of that Fiscal Year period.

1.4 Budget Limitation

Expenses may not exceed the maximum limits shown on Exhibit X; (Budget).

1.5 Unspent Funds

Contractor shall return any unspent Contract Funds to County unless otherwise permitted by this Contract. In addition, County will determine the disposition of unspent Contract Funds upon expiration or termination of this Contract and at the end of each Fiscal Year period.

1.6 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable. These expenditures must clearly evidence a benefit(s) to the Program.

2.0 Allocable Expenses

When Contractor provides services in addition to the Services required under this Contract, Contractor shall allocate expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.), Contractor shall define its allocable expenses as either direct or indirect costs (as defined in Sub-sections C.2.1 (Direct Costs) and C.2.2 (Indirect Costs) below) and shall allocate each cost using the basis that is most appropriate and feasible.

Contractor shall maintain documentation or allocated expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated expenses be charged to an extent greater than 100% of actual expenses or the same expense be charged both directly and indirectly.

2.1 Direct Costs

Unless otherwise set forth in this Contract, or required by the funding source(s), direct costs are defined as those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of Contractor's organization). Examples of direct costs include salaries and benefits of employees working on the Program, supplies and other items purchased specifically for the Program, costs related to space used by employees working on the Program, etc.

For all employees, other than those employed in general or administrative positions, the hours spent on each program (activity) should be recorded on the employees' timecards and the payroll expenses should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one (1) program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees working in each program
- Square footage occupied by each program
- Other relevant and equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint purposes and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of Contractor's organization, and the salaries and expenses of executive officers, personnel administration, and accounting staff.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as significant one-time expenses, or subcontractor payments)

2.3 Acceptable Indirect Cost Allocation Methods

Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200 et al.), describes the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

Simplified Allocation Method

This method can be used when Contractor's major functions benefit from its indirect costs to approximately the same degree. Using this method, all

allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example

Agency-wide indirect costs	\$250,000
Less: Capital Expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total Agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when Contractor's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for rentals, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when Contractor's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

Negotiated Indirect Cost Rates

Contractor has the option of negotiating an indirect cost rate or rates for use on all its Federal programs. Contractor must submit a Cost Allocation Plan to the Federal agency providing the majority of funds to Contractor's organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If Contractor has a Federally approved indirect cost rate, Contractor shall submit a copy of the approval letter to County's Compliance Manager upon request.

D. UNALLOWABLE COSTS

Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget (2 CFR 200.421 et seq.) addresses the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions (exceptions may include self-insurance, pension funds and reserves for normal severance pay)
- Contributions and donations rendered
- Fines and penalties (e.g., including but not limited to NSF Check Fees, Traffic Citation Fees)
- Lobbying and fundraising activities
- Interest expense (unless expressly allowed by Federal guidelines)
- Losses on other awards
- Capital expenditures
- Advertising and public relations
- Entertainment/alcoholic beverages

Additionally, Contractor shall not use Contract Funds to repay disallowed costs.

E. REPORTING FRAUD, ABUSE, MISCONDUCT OR NON-COMPLIANCE

1.0 Contractor shall report suspected fraud (including welfare fraud), abuse, waste, or misuse of public monies, and misconduct of County personnel to the Los Angeles County Fraud Hotline. Contractor shall also report suspected fraud, abuse, waste, or misuse of public monies, and misconduct committed by its employees, volunteers, and any subcontractors when that fraud affects its Contract with County. Reportable conditions of fraud include, but are not limited to:

- Requests for bribes/kickbacks/gratuities by County personnel
- Favoritism/nepotism in the awarding of County contracts, selection of vendors or hiring of Contractor's employees
- Theft or misuse of any funds, resources or equipment
- Falsification of records
- Violation of conflict of interest requirements; etc.

2.0 Failure to report the types of fraud/misconduct discussed above may be grounds for termination of this Contract as solely determined by County.

- 3.0 Reports can be made anonymously to the Los Angeles County Department of Auditor-Controller, Office of County Investigations as follows:

Website: www.lacountyfraud.org
E-Mail Address: Hotline@auditor.lacounty.gov

4.0 User Complaint Report

- 4.1 County's staff shall complete the User Complaint Report (UCR) to report Contractor's non-compliance with the requirements of this Contract. Areas of Contractor's non-compliance include, but is not limited to, the following:

- Contractor's Project Manager or other staff not responding to messages/requests from County staff.
- Contractor's Project Manager or other staff does not attend trainings/meetings required by County.
- Contractor staff changes without prior notification to County.
- Illegal or inappropriate behavior by Contractor's staff.

- 4.2 County's Compliance Manager shall maintain the UCR, and it will be used to evaluate Contractor's performance of the requirements of this Contract in addition to being used as the basis for placing Contractor on probation, suspending payment, suspending this Contract, terminating this Contract or any other remedies that are available in this Contract. The UCR may also be used during County's solicitation process to evaluate Contractor's past performance on this Contract in addition to being used when Contractor requests a reference from County for purposes of applying for other grants.

Regardless of the source of the Contract Funds (i.e., Federal, State or County/local monies), Contractor shall adhere to these purchasing, inventory and disposal requirements for all Fixed Assets, Non-Fixed Assets and Supplies which are defined in Section II (Fixed Asset, Non-Fixed Asset and Supplies), herein. Such requirements include, but are not limited to, the following:
 - 1.0 The requirements of this Exhibit S
 - 2.0 Administrative requirements, procurement standards and cost principles outlined in the Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget, (2 CFR 200 et al.).
 - 3.0 Additional requirements which may be communicated to Contractor through County memorandum, directives, Change Notices, Contract Amendments, etc.
- B. Throughout this Exhibit S, references will be made to Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget, (2 CFR 200 et al.). These references shall mean that Contractor shall follow the Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget, (2 CFR 200 et al.) that apply to Contractor based on the type of Program being funded through this Contract (e.g., Area Agency on Aging Programs, Workforce Investment Act Programs, etc.) and the type of entity that best describes Contractor's organization (e.g., non-profit, local government, educational institution, etc.).
- C. The requirements outlined in this Section I, herein, are applicable to Fixed Assets and Non-Fixed Assets. When specific requirements related to Supplies are not addressed, Contractor shall exercise the same due diligence and care required for the purchase, inventory

and disposal of Fixed Assets and Non-Fixed Assets when Contractor uses Contract Funds to purchase Supplies.

- D. In the event of any conflict or inconsistency between the requirements established in this Exhibit S and any of the governing Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget, (2 CFR 200 et al.), the conflict shall be resolved by giving precedence to the governing Federal Register, Volume 78, Number 248, Part III, Office of Management and Budget, (2 CFR 200 et al.).

II. FIXED ASSET, NON-FIXED ASSET AND SUPPLIES

A. Fixed Asset

1.0 A Fixed Asset is an item which has all of the following attributes:

1.1 Includes, but is not limited to, property, plant, equipment, land, buildings, additions, attachments, improvements, betterments, machinery, vehicles, furniture, tools, intangibles, mineral resources, etc. which are not consumed/sold during the normal course of Contractor's business under this Contract.

1.2 Has a unit acquisition cost that is \$5,000 or more.

1.2.1 For purposes of determining how to classify items as either a Fixed Asset or a Non-Fixed Asset, a unit is defined as either one (1) item or a group of individual items which are purchased together as a bundle in order to be used together. As an example, a desktop computer system which includes a tower along with other peripheral items such as a monitor and/or printer or a laptop system which also includes additional peripherals are considered one (1) unit when each of these systems are purchased as a unit.

1.2.2 The unit acquisition cost is the net invoice price of a unit, which includes shipping costs and sales taxes, any applicable credits and discounts as well as the cost of any modifications, attachments, accessories, or auxiliary apparatus which are necessary to

make this unit usable for the purpose for which it is acquired.

1.2.3 To determine the unit acquisition cost of an asset, consider the following example: four (4) identical pieces of equipment, which cost \$3,000 each, totaling \$12,000 would not meet the \$5,000 unit acquisition cost threshold.

- 1.3 Has a normal useful life of at least one (1) year.
- 1.4 Is used to conduct Contractor's business in the performance of the Work required under this Contract. Such asset must provide a direct benefit to the Program and Services.
- 1.5 Is either purchased with Contract Funds and/or was acquired by Contractor under a Predecessor Agreement(s) for the same/similar purpose as this Contract. Such purchases must be allowable and allocable under the requirements of this Contract. For purposes of this Contract, a Predecessor Agreement(s) shall mean a contract between County and Contractor that was executed prior to this Contract for the same/similar Program Services as this Contract, and such contract has expired or terminated.
- 1.6 Must be ordered or purchased prior to the last three months of the Contract Term, unless the acquisition is pre-approved by County.

B. Non-Fixed Asset

- 1.0 A Non-Fixed Asset is an item which has all of the following attributes:
 - 1.1 Does not meet all of the requirements for a Fixed Asset, which are outlined above in Sub-section II.A (Fixed Asset), herein, and includes, but is not limited to, computers, laptops, copier machines, printers, etc.
 - 1.2 Has a unit acquisition cost that is less than \$5,000 but is at least \$500, or has a unit acquisition cost that is less than \$5,000 but is at least \$300 if it was purchased under a Predecessor Agreement(s).

1.2.1 For purposes of determining how to classify items as either a Fixed Asset or a Non-Fixed Asset, a unit is defined as either one (1) item or a group of individual items which are purchased together as a bundle in order to be used together. As an example, a desktop computer system which includes a tower along with other peripheral items such as a monitor and/or printer or a laptop system which also includes additional peripherals are considered one (1) unit when each of these systems are purchased as a unit.

1.2.2 The unit acquisition cost is the net invoice price of a unit, which includes shipping costs and sales taxes, any applicable credits and discounts as well as the cost of any modifications, attachments, accessories, or auxiliary apparatus which are necessary to make this unit usable for the purpose for which it is acquired.

EXHIBIT V (CONTRACT MANAGEMENT SYSTEM – CONTRACTOR'S GATEWAY TERMS AND CONDITIONS OF USE)

- 1.0 County has developed the Contract Management System – Contractor's Gateway (hereafter "System"), an automated system designed to electronically manage this Contract. County has implemented the System and Contractor shall use the System to perform its administrative contracting functions as directed by County.
- 2.0 County has established policies concerning the access, use and maintenance of the System. Contractor shall adhere to these policies, which include this Exhibit V (hereafter "Terms and Conditions of Use"), the Contract Management System-Contractor's Gateway User Acknowledgement Agreement ("User Acknowledgement Agreement"), instruction guides/tutorials provided by County, training sessions conducted by County, etc. Contractor's non-compliance with these policies may subject Contractor to denial of access to the System, suspension of payment(s), termination of this Contract, and/or other actions which County may take at its sole discretion.
- 3.0 System Access and Control
 - 3.1. Contractor shall access the System using the following Uniform Resource Locator (URL) link:
https://gateway.css.lacounty.gov:4443/OA_HTML/AppsLogin (please note there is an underscore between "OA" and "HTML" in the URL).
 - 3.2. Contractor shall ensure that data that is accessed using County information technology resources must be used for County authorized purposes and must not be disclosed to others without County's prior written authorization or unless required by Federal, State or Program regulations.
 - 3.3. Unauthorized access by Contractor to any County information technology resource, including the System, network, software application programs, data files, and restricted work areas is prohibited.
 - 3.4. Accessing the System During Non-Business Hours
 - 3.4.1. County recommends that Contractor does not access the System during non-business hours in order to allow County to provide technical assistance when requested from Users (who are defined in Section 5.0 (User Accounts), herein).
 - 3.4.2. For purposes of this Terms and Conditions of Use, non-business hours are defined as the days and times that are outside of the traditional work week (where the traditional work week is

recognized as Monday – Friday, 8:00 a.m. to 5:00 p.m.). The traditional work week does not include County-recognized holidays.

- 3.4.3. Generally, County-recognized holidays are the same as Federally-recognized holidays such as January 1st, July 4th, December 25th, etc. of each year. Contractor may obtain a current list of County-recognized holidays from County's Contract Manager.

4.0 System Protocols and Security

- 4.1. Digital communications that occur between Contractor and County within the System are conducted over a secure network, which has been established by County using Secure Socket Layer technology, one of the most robust encryption platforms available.
- 4.2. The System's URL provides an assurance to County and Contractor that accessing and using the System are done securely. A Web browser in secure mode will display a URL address beginning with "<https://>" rather than the standard "<http://>", where the "s" in "<https://>" stands for "secure".
- 4.3. County has established these secure, standard protocols which encrypt data across publicly used Internet connections.
- 4.4. County will make every effort to provide standard Internet-level performance while Users utilize the System. Contractor shall contact County when it experiences any disruptions in services by following the guidelines established in Sub-section 8.2, herein.

5.0 User Accounts

5.1. Designation of Users

- 5.1.1. Contractor shall designate Contractor Employees (Users) who shall be responsible for operating the System on Contractor's behalf.

5.2.2.1. View-Only User: A User who can access the System to view all Contract documents and agency information.

5.2.2.2. Administrative User: A User who can access the System to view all Contract documents and agency information, submit Contract documents to County, update Contractor's administrative information, receive automated System alerts/notices (when designated as the contact person for this responsibility), and perform other functions as defined by County.

5.3. Active and Inactive User Accounts

5.3.1. An active User account is defined as a User who has an approved, current, valid account, which does not have an inactive or termination date in the System. This User can access the System and perform functions based on his/her account classification (as defined in Sub-section 5.2 (User Account Classification), herein).

5.3.2. An inactive User account is defined as a User whose account profile has been assigned an inactive or termination date and User can no longer access the System.

5.4. Contractor shall designate and maintain a minimum of two (2) active Users (up to a maximum of four (4) active Users) at all times as follows:

5.4.1. Contractor shall designate at least one (1) Administrative User at the level of Contractor's Project Director.

5.4.2. Contractor shall designate at least one (1) User who has delegated authority to execute this Contract. This User shall be at the level of the Executive Director and may be classified as either a View-Only User or an Administrative User.

5.4.3. One of the two Users shall be designated as the responsible contact who shall receive and respond to System generated alerts/notices pertaining to Contract Document Deliverables (e.g., insurance certificates, business licenses, permits, etc.).

5.5. Requesting User Accounts

5.5.1. Contractor shall obtain prior approval from County in order to establish User accounts in the System. Contractor shall follow these general guidelines to obtain County's approval:

5.5.1.2. Contractor shall provide the Employee with the User Acknowledgement Agreement, and the Employee shall read and complete the form. Contractor's Authorized Representative shall review and sign the form. Contractor shall ensure that the User Acknowledgement Agreement is completed for each Employee that will receive a User account.

5.5.1.3. Contractor shall ensure that the completed User Acknowledgement Agreement is attached/saved in the System as a Contract Document Deliverable (on the General Page of the Administration tab) prior to requesting and being granted access to the System by County.

5.5.1.4. Contractor shall create a profile for each User in the System.

5.5.1.5. Upon County's receipt of the User profile submitted by Contractor, County will review User's profile and Employee's completed User Acknowledgement Agreement.

5.5.1.6. County will inform Contractor whether the User account has been approved or rejected.

5.5.2. Approved and Rejected User Accounts

5.5.2.1. Upon approval of Contractor's request for a User account, County will provide User with a unique User Name (logon/System identifier) and a default password.

5.5.2.1.1. User shall be responsible for changing his/her password when prompted by the System.

5.5.2.1.2. User may begin accessing the System immediately.

5.5.2.2. Upon rejection of Contractor's request for a User account, County will follow-up with Contractor to discuss the reason(s) for rejecting Contractor's request for a User account.

5.5.3. Contractor's Assurances Upon Creating User Accounts

5.5.3.1. Contractor is responsible for the conduct of all Users who access and utilize the System. Contractor shall ensure that Contractor and its Users adhere to this Terms and Conditions of Use, the User Acknowledgement Agreement, instruction guides/tutorials provided by County, training sessions conducted by County, etc. which establish the policies under which the Users shall operate the System.

5.5.3.2. Contractor shall ensure that each User's copy of the User Acknowledgement Agreement forms are saved in the System as a Contract Document Deliverable. Contractor shall not delete any User Acknowledgement Agreement forms from the System without County's written prior approval.

5.5.3.3. Contractor shall ensure that all Users receive and maintain current copies of all instruction guides/tutorials for using the System, which are developed by County and provided to Contractor.

5.6. User Name and Password

5.6.1. Contractor shall ensure that its Users do not share their unique User Name and password with any other person.

5.6.2. County recommends that Users change their passwords every three (3) months to ensure additional password security.

5.6.3. Contractor shall ensure that all Users maintain valid, secure e-mail accounts, which shall be used for self-service maintenance of User Name and password information. In the event that Users forget their User Name or password, User shall adhere to the instruction guides/tutorials provided by County for resetting the User Name or password.

- 5.6.4. Repeated changes to a User's password outside of the recommended three-month period, as noted in Sub-section 5.6.2, herein, shall be monitored and investigated by County and may result in County suspending User's access.

5.7. Change in User's Status

- 5.7.1. When a User's status changes (e.g., he/she is no longer employed by Contractor or User's responsibilities change), Contractor's Authorized Representative shall take immediate action to update the User's account profile. Updates to User account profiles shall be approved by County.

- 5.7.2. Contractor shall update User account profiles in the System by removing a User's account once that User is no longer an Employee on this Contract.

5.7.3. New Employees/Users

- 5.7.3.1. When Contractor determines that a new Employee shall receive a User account, Contractor shall adhere to the guidelines established in Sub-section 5.5 (Requesting User Accounts), herein, to create an account in the System.

- 5.7.3.2. Prior to requesting a new User account, Contractor shall ensure that it continues to maintain at least two (2) active Users and does not exceed the maximum of four (4) Users (pursuant to Sub-section 5.4, herein).

- 5.7.4. Contractor shall regularly review all User account information to ensure accuracy and completeness. Contractor shall ensure that updates are completed whenever administrative changes occur.

- 5.7.5. If County determines at its own discretion that Contractor is creating or removing User accounts too frequently then County shall take appropriate measures to investigate and remedy these occurrences. Upon County's request, Contractor shall provide sufficient justification for these frequent User account updates.

6.0 General Policies for Use

- 6.1. County information technology resources are to be used solely for County business purposes.

- 6.2. County may periodically update this Terms and Conditions of Use and the User Acknowledgement Agreement policies. County may also implement

future enhancements to the System. Contractor shall ensure that Contractor and Users adhere to all policy updates as well as any new procedures for using System enhancements.

6.3. Data Integrity

6.3.1. Contractor shall ensure that Users maintain the integrity of data they enter in the System, and do not save, store or attach electronic files in the System which do not meet the following requirements:

6.3.1.1. File types must be Word, Excel or Portable Data Format (PDF) documents. Files such as pictures, videos, music, PowerPoint presentations, or other files as determined by County are not acceptable types of documents.

6.3.1.3. Files shall not be corrupted (i.e., documents shall be free of viruses).

6.3.1.4. The size limit of each file shall not exceed ten (10) megabytes (10 MB).

6.3.2. Contractor's non-compliance with the data requirements outlined herein will be remedied at County's sole discretion.

6.4. E-Mail Alerts and Notices

6.4.1. The System generates automatic e-mail alerts and notices based on the occurrence of certain events. These events may include, but are not limited to, confirmation of executed Contract (or Amendments), request for Contract Document Deliverables, notification of expired Contract Compliance Document Deliverables, etc.

6.4.2. Contractor shall ensure that its Users adhere to all alerts and notices generated by the System. These alerts and notices shall convey and have the same effect and importance as alerts and notices sent by County's Administration (or their designees) as defined in Paragraph 6.0 (Administration of Contract-County) in this Contract and Exhibit E (County's Administration). Contractor shall appropriately respond to all requests for documentation, promptly

adhere to due dates/deadline requirements and diligently follow all instructions indicated in the alert/notice.

6.5. Administrative Changes

- 6.5.1. Pursuant to Paragraph 7.0 (Administration of Contract-Contractor) and Paragraph 8.34 (Notices) of this Contract, Contractor shall designate its authorized staff by using Exhibit F (Contractor's Administration). Further, Contractor shall initiate any changes in its staff, including those listed on Exhibit F (Contractor's Administration), by giving written notice to County.

7.0 Monitoring

- 7.1. All County information technology resources are subject to audit and periodic, unannounced review by County.
- 7.2. County reserves the right to administer, monitor, audit and/or investigate Contractor's access to and use of County's information technology resources (i.e., System, e-mails, Contractor-generated data files, etc.). If evidence of abuse or negligence is identified, County will take the appropriate actions to remedy any areas of Contractor's non-compliance.
- 7.3. During County's monitoring of User activities, unusual practices will be investigated and reported to County's Administration. County will take the necessary steps to remedy Contractor's inappropriate use of the System. Unusual practices may include, but are not limited to, the following:
 - 7.3.1. Users frequently accessing the System during non-business hours (pursuant to Sub-section 3.4 (Accessing the System During Non-Business Hours), herein).

Since these activities will impact the ability of Users to access the System, County will notify Users when they attempt to login that System maintenance is occurring and County will indicate the time when the System will become available. Generally, System maintenance activities will occur during non-business hours (e.g., weekends, late evenings, County-recognized holidays, etc.) to limit the impact to Users.
